

Fraser Football Festival 2022: The Prelude

to be held at
Kirkvine Sports Club, Manchester, Jamaica
Saturday, July 30, 2022

Monday, July 4, 2022

Dearest Family, Friends, Donors, Supporters, and Participants:

The Fraser Football Foundation, Inc. and Fraser Foundation, Ltd. are faith-based, philanthropic co-organizations operating in the United States and Jamaica with the united vision of *Changing Lives... One Goal at a Time!* and the overarching mission of improving the health, wellness, citizenship, and education of rural and inner-city children in Jamaica through football (soccer). By participating in structured, healthy activities, children are deterred from drugs, misconduct, and delinquency. Further, such activities promote health, wellness, citizenship, and education. Additionally, the children are sheltered from predatory behaviors and hostile environments.

Throughout the year, the Fraser Football Foundation collects donated football boots (cleats), apparel, and equipment in the United States to be distributed to needing youth in Jamaica at no cost to the children.

Annually, on the last Saturday of July, the Fraser Football Foundation hosts the Fraser Football Festival. The Festival includes multiple age-limited, friendly tournaments for children of all skill levels and four penalty shoot-out competitions for children with advanced football skills. Teams and individuals can enter events at no cost to the children! Participants of all skill levels are welcome. The event welcomes boys and girls ages 3 to 16. **This year, 275 children will participate in the Fraser Football Festival 2022 at Kirkvine Sports Club in North East Manchester, Jamaica.** Thanks to the generosity of our supporters and donors overseas, participating children will be provided with football boots, football jerseys, water bottles, drawstring bags, and other goodies at no cost to the children. In keeping with our commitment to education, some individual winners will receive school scholarships.

The Fraser Football Foundation is also introducing the Fraser Cup, an annual U12 football competition in primary and preparatory (elementary) schools. The Fraser Cup will be hosted in Manchester, Jamaica. Primary and preparatory school teams will be provided with some of the resources (including football boots!) needed to support afterschool football programs for children. Football boots are also available for basic schools that wish to start promoting health and wellness through football at the pre-school age.

Family, friends, donors, supporters, and participants, thank you for being a part of the *Fraser Football Festival 2022* and for ardently helping in *Changing Lives... One Goal at a Time!*

Sincerely,

Dr. Amoy Fraser, PhD, PMP, CCRP

Changing Lives... One Goal at a Time!

The Fraser Football Foundation, LLC. and Fraser Foundation, Ltd. have the united overarching vision of *Changing Lives... One Goal at a Time!* The united mission is to improve the health, wellness, citizenship, and education of rural and inner-city children in Jamaica through football. This vision and mission are being executed via three operational goals.

Goal # 1- Provide Boots for the Children

In keeping with our vision *Changing Lives... One Goal at a Time!* our **first annual goal** is to establish pathways and collect donations of football boots (cleats) for the children. Throughout the year, the Fraser Football Foundation collected donated used and new football boots to distribute to the Jamaican children at no cost to the children. This year, with the massive help of Jayar and [TheJoyFM](#) family and listeners, **we collected 1,217 pairs of donated new and used boots!** The boots ranged from size 8½Y to size 18! The Fraser Football Foundation also accepted donations of shin guards, shorts, balls, equipment, etc.

Goal! We collected 1, 217 pairs of donated new and used football boots for the children!

Whatever is not received through the generous donations is purchased by the Fraser Football Foundation. The Fraser Football Foundation also accepts monetary donations to finance the cost of purchasing jerseys and other needed items for registered players, shipping the donations to Jamaica, tangible expenses associated with hosting the event (such as venue rental, providing water, medals, trophies, flyers), and scholarships for individual winners.

If other football items are donated and if feasible, these may be provided at no cost to the players or coaches, but these are not guaranteed or promised. Other items that are often donated include shin guards, bibs (pennies), cones, football bookbags, jerseys, and balls.

Goal # 2- Host a Family-Friendly Football Event for the Children

Our **second annual goal** is to host the **Fraser Football Festival**. The *Fraser Football Festival 2022* is a one-day youth football festival which includes multiple age-limited friendly tournaments for children of all skill levels. The *Fraser Football Festival 2022* also includes four shoot-out competitions for teenagers showing advanced talent. We employ the Good Sportsmanship Rule to avoid any children being embarrassed or discouraged while simultaneously providing opportunities for all children to showcase their skills. All the events are family-friendly with the focus on fun, development, citizenship, and education. Teams and players participate in the *Fraser Football Festival 2022* at no cost to them.

Goal # 3- Provide a Platform for the Children's Continued Growth

Our **third annual goal** is to host the **Fraser Cup** to support structured, healthy afterschool football activities for the children. The Fraser Cup is an annual U12 football competition in primary and preparatory (elementary) schools. The Fraser Cup will run from January through March 2023. Football boots will be provided for the children at no cost to the children.

For 2022, we aim to score a hat trick! Keep these goals in your prayers.

The Bootique

The Bootique is the Fraser Football Foundation's couture boutique at the Fraser Football Festivals featuring donated used and new boots. After check-in, players will proceed to The Bootique to receive their free boots and jerseys for the *Fraser Football Festival 2022*. Players will be fitted for their boots and jerseys to ensure the best possible fit. The Fraser Football Foundation will make every effort to provide the best possible fit for the boots, but make no guarantees.

Due to the generosity of our donors, children participating in the *Fraser Football Festival 2022* will receive

a pair of football boots

a football jersey (shirt),

a drawstring football bag, and

a water bottle.

Goalkeepers will also receive goalkeeper gloves.

Bags and water bottles may be used for school. These items are given to the children and they become the owners!

THE PLAYER OWNS THE BOOTS!

*Do not withhold good... when it is in your power to act.
Proverbs 3:17*

Fraser Football Festival 2022

The Geographic Reach

We had a tremendous community response to the *Fraser Football Festival 2022*! Given our location, the majority of children are from Northeast Manchester. Community teams hail from **Manchester, Clarendon, St. Mary,** and **Kingston** representing two of the three historic counties (Middlesex, and Surrey) of Jamaica. The teams hail from rural and urban areas.

Figure 1: Map of Jamaica Indicating Parishes of Players

The majority (223, 81%) of children are from Manchester, but we also welcome 16 (6%) children from Clarendon, 16 children (6%) from Kingston, and 20 children (7%) from St. Mary.

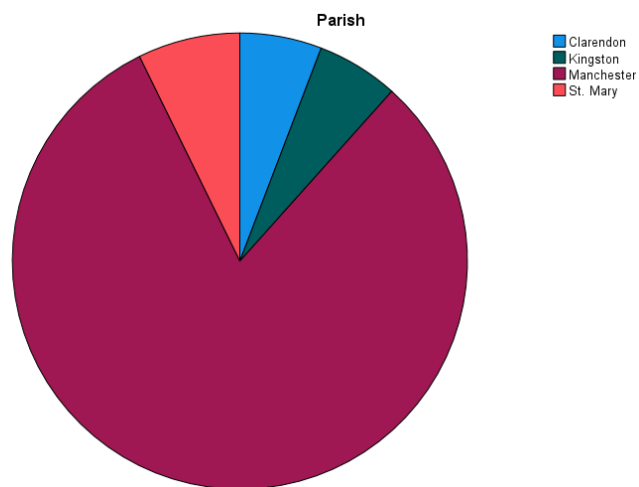

Figure 2: Distribution of Players by Parish

The Children

There will be **275** children playing football at the *Fraser Football Festival 2022*. The majority of children come from socioeconomic backgrounds where football boots are an unaffordable luxury. There are 232 (84%) boys and 43 (16%) girls ranging in age from 3 to 16 years old (mean = 12.8 years). The youngest girl is 8 years old and the youngest boys are only 3 years old. The huge difference in girl participation indicate a need for greater support of girls in football in Jamaica.

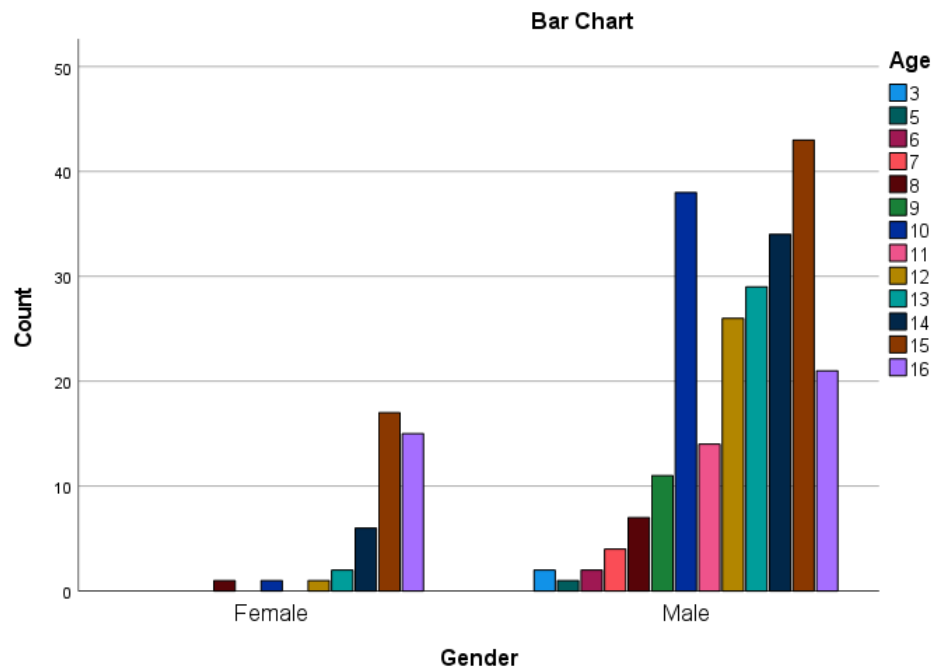

Figure 3: Age Distribution of Children by Gender

The children's shoe sizes range from 12Y to 12.5 (mean = 7). And every child will receive a pair of football boots! **We identified that the boots sizes most needed for the boys were 7, 8, and 9; while for girls were 7 and 8.**

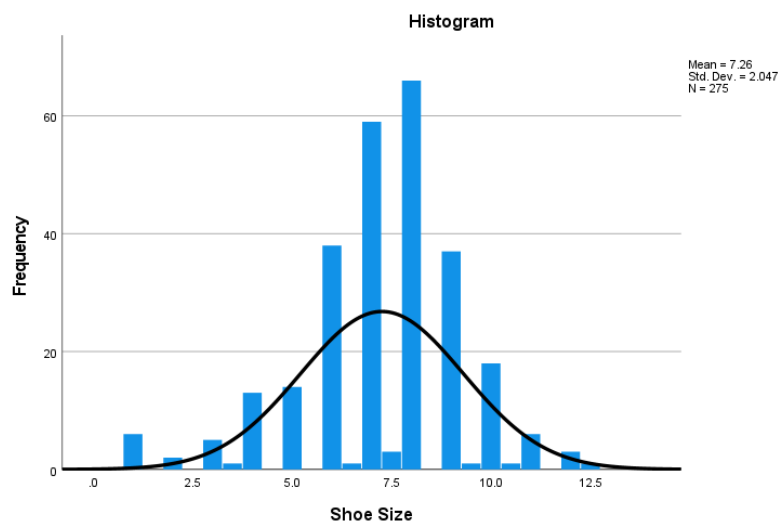

Figure 4: Shoe Sizes by Gender

The Events

The *Fraser Football Festival 2022* will include the following events.

The age-limited tournaments divisions are:

- ⚽ **Jaxon Junior's Under-8 Boys and Girls Showcase**
- ⚽ **Under 10 Boys and Girls**
- ⚽ **Under 12 Boys and Girls**
- ⚽ **Under 14 Boys and Girls**
- ⚽ **Under 16 Girls**
- ⚽ **Under 16 Boys**

The shoot-out competitions are:

- ⚽ **Girls Rule! Penalty Shoot-Out**
- ⚽ **Girls-16 Penalty and Precision Shoot-Out**
- ⚽ **Boston's Ballahs Penalty Shoot-Out**
- ⚽ **F-16's Penalty and Precision Boys Shoot-Out**

Each event will be followed by an award ceremony for the first place and second place winners. All players receive certificates celebrating their participation.

The Coaches

The Fraser Football Foundation recognizes and thanks the coaches for their selfless and tireless work with the children. Their work started before the Festival and continues after.

Thank You, Coaches!

Christiana Strikers

The *Fraser Football Festival 2022* welcomes **Christiana Strikers**! The Christiana Strikers were formed to enter this Festival. The majority of the Christiana Strikers attend Christiana High School, and some play for the school team. We welcome these *hopeful* players to give us their *best*! Christiana Strikers entered 3 teams (**23 children!**) under the experienced guidance of **Coach Declan Nelson**.

Children attending Christiana High can contact Coach Nelson at school to add football as an extracurricular activity.

Coach Nelson has been coaching for over 22 years. He coached Glengoffe High School and, as of 2019, he has been a coach at Christiana High School in the cool hills of Christiana, Manchester.

Dupont Strikers

The *Fraser Football Festival 2022* welcomes **Dupont Strikers Football Academy**! The Dupont Strikers Football Academy was formed in 2021 by Andre Bryson to keep the youth out of the violence that plagues their community, Cocksburn Pen, one of the toughest ghettos in Kingston. Dupont Strikers Football Academy has entered 2 teams (**16 children!**) under the visionary guidance of **Coach Andre Bryson**. The children are supported by Fr. Mario Burton and the St. Pious X Church to attend the Festival. *Glory, glory!*

Children in the Cocksburn Pen community, regardless of skill level, can contact Dupont Strikers to become part of the Dupont football family.

Evolution Football Club

The *Fraser Football Festival 2022* welcomes **Evolution Football Club**! Evolution Football Club was formed in 2021 by Maurice Duncan. Despite limited resources, Evolution is determined to provide football activities for the children in the communities of Christiana and Spaulding. The children train on Saturdays. Evolution Football Club has entered 3 teams (**24 children!**), including **2 girl teams!** Many of the players for the U16 Girls teams also play for Holmwood- so they stand to be formidable opponents. The teams will compete under the fervent guidance of **Coach Weston Freckleton** and **Coach Maurice Duncan**.

Children in the community, regardless of skill level, can contact Evolution Football Club to become part of the Evolution football family.

Coach Weston Freckleton is proud to be coaching children (including his son) who so passionately love football. He works hard to teach and relate to the children. Coach Freckleton is a graduate of Spaulding High School.

Genesis Football Clinic and Academy

The Fraser Football Festival 2022 welcomes **Genesis Football Clinic and Academy**! Genesis Football Clinic and Academy was originally founded in 2016 by Andrew Edwards. After a pandemic-influenced hiatus, Genesis returned to action in March 2022. Genesis Football Academy has entered 3 teams (**24 children!**) under the insightful guidance of **Coach Andrew Edwards** and **Coach Roger Robinson**.

Children in the Mandeville area, regardless of skill level, can contact Genesis Football Clinic and Academy to become part of the Genesis football family.

	Coach Andrew Edwards is Jamaica's former national U17 men head coach, U20 men assistant coach, and U23 men assistant coach. He has coached at several high schools, including his alma mater Titchfield High School. He coached internationally at Turks and Caicos. <i>Virtute et erudition!</i>
	Coach Roger Robinson has been involved in youth football since 2010. He is certified as an advanced level 2 coach. Coach Robinson recently joined the Genesis family.

Hanbury Football Club

The *Fraser Football Festival 2022* welcomes **Hanbury Football Club**! Striving for excellence, the Hanbury Football Club was originally formed in 1968, and revitalized in 2014 by Boysie Swaby. The club welcomes children 17 years old and under. Their focus is the holistic development of the youth through mentorship and volunteerism. Given the socioeconomic status of the community they serve, the Hanbury Football Club charges no fees, and relies on the stewardship of others. Despite the economic challenges, the Hanbury Football Club has produced children who went on to play for their schools in the Dacosta Cup, for the parish of Manchester, and for national teams. Hanbury is the only club to enter a U8 team, and so the U8 division will be a showcase of Hanbury talent. Hanbury entered 4 teams (**34 children!**) under the reliable guidance of **Coach Boysie Swaby**.

Children in the Hanbury area can contact the Hanbury Football Club to find a football family.

Born in Hanbury, Coach Swaby attended and played football for Holmwood High School, captaining the team for the Dacosta Cup in 1982. He is a Justice of the Peace and a certified advanced level one coach. Coach Swaby is dedicated to the advancement of youth and the Hanbury community.

Manchester Youth Soccer Organization

The *Fraser Football Festival 2022* welcomes **Manchester Youth Soccer Organization**! Manchester Youth Soccer Organization (MYSO), led by President Duane James, has the aim of identifying, supporting and developing targeted high-performance athletes with an emphasis on ensuring that each individual learns the proper fundamentals of football. Perhaps the first of its kind in Jamaica, the academy includes a 40-bed dormitory. Manchester Youth Soccer Organization entered 3 teams (**22 children!**) under the astute guidance of **Coach Duane Jones**, **Coach Kevon Daley**, and **Coach Michael Plummer** and the steady coordination of club administrator **Alison Nickle**.

Children in the Central Jamaica showing high athletic talent can contact MYSO to learn more about what MYSO offers.
